

Every Child Deserves Quality Play

At Miracle, it's important to us that every child has the opportunity to experience quality play that strengthens their minds as well as their bodies. To help make this happen, we've developed several fundraising tools and established a grant program to help make our playgrounds more affordable for everyone. Get a Grant. Give a Miracle Playground. Go Play.

Miracle's Grants for America's SchoolsSM - Making it Easier to Get Your Miracle

Crunched for cash and class time, some see play as expendable. But play is a "must" for children's healthy development! Kids get physical benefits from active play; improved strength and coordination, and exercise that fights obesity and sedentary lifestyles. They reap social benefits; learning to make friends and cooperative and negotiating skills they'll need all their lives. They also gain cognitively, sharpening reasoning and problem solving. We believe so strongly in play, we're committed to helping schools get the equipment they need. Miracle's Grants for America's SchoolsSM program can help you toward your goal of getting a Miracle playground for your school via the Miracle Grant Fund. Ask your Miracle Representative for complete information.

Fundraising Opportunities

We can provide you with the tools to start a successful fundraiser for your organization to offset some—or all—of your playground investment. Our proven programs are the most profitable and successful fundraising tools available today. The following programs can help you bring our premium playgrounds to virtually any community or organization.

- **PlayPower FunRaisingSM** - earn up to 50 percent profit on food and non-food programs.
- **PlayPower Grant Program** - contributes up to an additional 33 percent of fundraising earnings toward your Miracle playground.
- **PlayPower Financial** - offers flexible low-interest financing, so your children can play now while you pay later!

For more information on fundraising opportunities contact your local Miracle sales representative, or visit our website at www.playpowerfundraising.com.

Miracle customers also have access to the programs and resources of KaBOOM![®], a national nonprofit organization whose vision is: "A great place to play within walking distance of every child in America."
